Hi Hector,

Attached are two items to create future contract amendments for:

-Fig Rate and Holiday amendment

New rates begin effective July 1, 2016 to June 30, 2017.

Adding 2 observed holidays- Memorial Day and Labor Day

-NoHo rate amendment for Senior Lead position that would be used once we promote someone. We forgot to change/update this positions rate structure when we added most recent amendment.

*Note- please confirm the multiplier I used for bill rate is correct.

Thanks,
Aaron
